this collection of essays and excerpts gives a comprehensive overview of alvin plantinga s seminal work as a christian philosopher of religion

few thinkers have had as much impact on contemporary philosophy as has alvin plantinga the work of this quintessential analytic philosopher has in many respects set the tone for the debate in the fields of modal metaphysics and epistemology and he is arguably the most important philosopher of religion of our time in this volume a distinguished team of today s leading philosophers address the central aspects of plantinga s philosophy his views on natural theology his responses to the problem of evil his contributions to the field of modal metaphysics the controversial evolutionary argument against naturalism his model of epistemic warrant and his view of

epistemic defeat and his recent work on mind body dualism also included is an appendix containing plantinga s often referred to but previously unpublished lecture notes entitled two dozen or so theistic arguments with a substantial preface to the appendix written by plantinga specifically for this volume

contemporary philosopher alvin plantinga is best known for tackling the problem of evil and rationality of belief in god from a calvinist perspective welty provides a reformed intro and analysis

in his discussion of natural theology arguments to prove the existence of god and natural atheology arguments for the falsehood of theistic belief plantinga focuses on two of the traditional arguments the ontological argument as an example of natural theology and the problem of evil as the most important representative of natural atheology accessible to serious general readers

each of the essays in this volume engages with some particular aspect of philosopher alvin plantinga s views on metaphysics epistemology or philosophy of religion

the distinguished american philosopher alvin plantinga has had a career long interest in the defense of christian belief there hasn t been a major contemporary challenge to such belief that plantinga has not in some way addressed this book draws together those contributions highlighting particularly plantinga s groundbreaking work in the areas of epistemology and the problem of evil historical and biographical background information is included to give perspective to plantinga s work his theory that both theistic and christian belief is warranted and basic is explored and critiqued and an assessment is offered as to the significance of plantinga s work for apologetic theory and practice

this volume was conceived as a festschrift to surprise alvin plantinga on his 70th birthday that original plan was not entirely successful for one thing the day came and went well before the work was complete for another the project wasn t quite a surprise plantinga caught wind of it though not of its details before the unveiling the occasion was marked however by a presentation of a projected table of contents and an early draft of the cover painting by keith lehrer plantinga then saw the details and was quite taken aback that the editors and a few contributors had come to south bend from as far virginia florida and california to celebrate now we are pleased to offer the essays themselves the collection ranges widely over metaphysics and epistemology its wingspan testifies to the breadth both of plantinga s own work and of the audience that has valued it some of the essays deal with ontology examining actualism presentism antirealism properties and artifacts several essays in epistemology raise skeptical questions work through the implications

of naturalism or intuitionism and engage Plantinga's own Reidian account of warrant other contributions consider the bearing of philosophical ideas on the Christian faith of split brain cases on the doctrine of the Trinity for example and of materialism on the afterlife the contributors are friends colleagues and former students of Plantinga the editors thank all of them for their eager participation in this project

locating Plantinga's most recent work in the context of his theological assumptions his previous work on religious epistemology and the current debate over how knowledge should be characterized Beilby's book offers a unique perspective on Plantinga's religious epistemology

this is the third volume in Alvin Plantinga's trilogy on the notion of warrant which he defines as that which distinguishes knowledge from true belief

the culmination of an impressive career in philosophy and theology Craig's work will be highly valued and a great achievement meriting significant attention Charles Taliaferro professor emeritus of philosophy St Olaf College William Lane Craig's landmark treatise on systematic philosophical theology is a major contribution to our understanding of the relation of philosophy and Christian doctrine and will be an essential reference point for future discussions Alister McGrath emeritus Ireos professor of science and religion Oxford University a transformative journey through Christian doctrine volume I on scripture on faith William Lane Craig's systematic philosophical theology is a multi volume explication of Christian doctrine in the classic Protestant tradition of the *loci communes* as seen through the lens of contemporary analytic philosophy uniquely blending the disciplines of biblical theology historical theology and analytic theology these volumes aim to provide readers with a biblical and philosophically coherent articulation of a wide range of Christian doctrines in the first volume of the series *Prolegomena on scripture on faith* Craig begins by introducing his conception of systematic philosophical theology describing how it relates to biblical theology dogmatics fundamental theology apologetics and especially philosophy of religion the chapters that follow defend the divine authority of scripture address the nature of faith and discuss the rational justification for Christian faith throughout the text Craig tackles cutting edge philosophical questions that arise naturally from Christian doctrine such as the compatibility of biblical inspiration and human freedom and whether faith implies belief

each of the essays in this volume engages with some particular aspect of philosopher Alvin Plantinga's views on metaphysics epistemology or philosophy of religion

in this long awaited book pre eminent analytical philosopher alvin plantinga argues that the conflict between science and theistic religion is actually superficial and that at a deeper level they are in concord

in his widely praised warranted christian belief oxford 2000 alvin plantinga discussed in great depth the question of the rationality or sensibility of christian belief in this book plantinga presents the same ideas in a briefer much more accessible fashion recognized worldwide as a leading christian philosopher plantinga probes what exactly is meant by the claim that religious and specifically christian belief is irrational and cannot sensibly be held he argues that the criticisms of such well known atheists as richard dawkins daniel dennett sam harris and christopher hitchens are completely wrong finally plantinga addresses several potential defeaters to christian belief pluralism science evil and suffering and shows how they fail to successfully defeat rational christian belief

a collection of essays by contemporary calvinist philosophers of religion that examine the epistemology of religious belief between reformed and roman catholic philosophers

alvin plantinga s warranted christian belief has very quickly become one of the most influential books in philosophy of religion in this collection of essays german philosophers theologians and a mathematician deal critically with several aspects of plantinga s seminal work in a long essay plantinga answers to these critics

in pentecostalism postmodernism and reformed epistemology yoon shin critically builds on james k a smith s postmodern pentecostal epistemology with the aid of reformed epistemology it takes the reader through an interdisciplinary journey that expositis and illumines the relationship among pentecostal spirituality continental and analytic philosophy postliberalism moral psychology and philosophy of emotion this work clarifies misunderstandings of smith in smith and between continental and analytic epistemology constructively and coherently synthesizing the sources through interdisciplinary analysis and thereby demonstrating the value of mashup philosophy the resulting epistemology strengthens the mostly descriptive epistemology of smith with the warrant criteria of alvin plantinga

is belief in god epistemically justified that s the question at the heart of this volume in the great debates in philosophy series with alvin plantinga and michael tooley each addressing this fundamental question with distinctive arguments from opposing perspectives the first half of the book contains each philosopher s explanation of his particular view the second half allows them to directly respond to each other s arguments in a lively and engaging conversation offers the reader a one of a kind interactive discussion forms part of the acclaimed great debates in philosophy series

this is a reissue of a book which is an exploration and defence of the notion of modality de re the idea that objects have both essential and accidental properties it is one of the first full length studies of the modalities to emerge from the debate to which saul kripke david lewis ruth marcus and others have contributed the argument is developed by means of the notion of possible worlds and ranges over key problems including the nature of essence trans world identity negative existential propositions and the existence of unactual objects in other possible worlds in the final chapters professor plantinga applies his logical theories to the clarification of two problems in the philosophy of religion the problem of evil and the ontological argument

the twentieth century saw religion challenged by the rise of science and secularism a confrontation which resulted in an astonishingly diverse range of philosophical views about religion and religious belief many of the major philosophers of the twentieth century james bergson russell wittgenstein ayer heidegger and derrida significantly engaged with religious thought idiosyncratic thinkers such as whitehead levinas and weil further contributed to the extraordinary diversity of philosophical investigation of religion across the century in their turn leading theologians and religious philosophers notably buber tillich and barth directly engaged with the philosophy of religion later philosophy of religion became a distinct field of study led by the work of hick alston plantinga and swinburne twentieth century philosophy of religion provides an accessible overview of the major strands in the rich tapestry of twentieth century thought about religion and will be an indispensable resource for any interested in contemporary philosophy of religion

a product of the second great awakening of the nineteenth century the stone campbell restoration movement gave rise to such denominations as the church of christ a cappella the christian church disciples of christ and the independent christian churches churches of christ while scholars have examined many of the historical ecclesial socio cultural and biographical dimensions of this indigenously american religious tradition few have singled it out for philosophical exploration and critique in restoration and philosophy editor j caleb clanton and a team of philosophers engage with the stone campbell restoration tradition to address issues related to epistemology philosophy of science philosophy of religion moral philosophy aesthetics environmentalism and race along the way the authors help to contextualize the stone campbell restoration tradition within american religious history and within christian philosophy more generally and they show its continuing relevance today scholars and students of philosophy and religious studies as well as ministers and those interested in this uniquely american christian tradition will benefit from this carefully edited thoroughly researched and highly readable collection of essays by eminent philosophers and religious scholars
